Sir:

Silver Spring Networks, Inc., located at 13000 West Silver Spring Drive, Bulter, Wisconsin 53007 (hereinafter "Assignee"), by its undersigned agent of record, represents that it is the owner of the entire interest in the above-identified application (hereinafter "said Application") U.S. Patent No. 6,538,577 (hereinafter "said Parent Patent"), by virtue of an assignment of the Parent Patent, which was recorded December 13, 2002, at Reel 013572, Frame 0375. Assignee hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on said Application, beyond the expiration date of the full statutory term of said Parent Patent. Assignee hereby agrees that any patent granted on said Application shall be enforceable only for and during such period that the legal title of the patent granted on said Application should be the same as the legal title to said Parent Patent. This agreement shall run with any patent granted on said Application and be binding upon the grantee, its successors or assigns. In making the above disclaimer, Assignee does not disclaim any terminal part of the patent granted on said Application prior to the expiration date of the full statutory term of said

I, Holly Rhodes, hereby certify that this correspondence is being deposited with the US Postal Service as first class mail in an envelope addressed to Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date of my signature.
